Helping Businesses Use Improv to Enhance  
*Creativity, Communications & Collaboration*

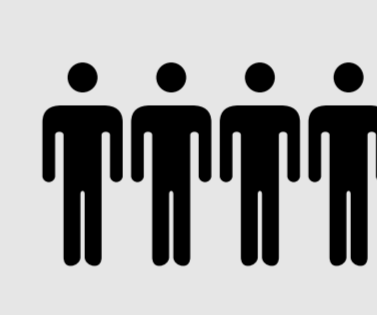

"Improv is not just for comedy anymore. It's for business leaders, managers, people who work in groups, teams that need to get to know each other, and disparate divisions of a company learning to work together. In other words, it's for all of us."

## Improv Master Class

Step into the world of improv. Unlock creativity, improve communications, to become a better listener & collaborator. This half day session provides skills & techniques that can be instantly applied. *And it's a lot of fun!*

<b>TEAMBUILDING</b>	<b>EMPLOYEE ENGAGEMENT</b>	<b>MEETING CATALYST</b>
<p>Get to know team members better, foster collaboration and trust, and increase productivity.</p> 	<p>Introduce ways of working that foster a supportive, team-oriented "Yes, and..." culture.</p> 	<p>Infuse energy &amp; productivity into larger meetings to stimulate and enhance participation.</p> 

*"Best teambuilding event we've ever had."*

*"Our team has not stopped talking about your training program."*

*"It was the perfect kickoff to our annual meeting."*

## Intensive Training Modules

*"Chicago City Limits' techniques help staffers become good listeners and practice being in the moment."*

*"Andaz employees loved the improv training. They enjoyed learning new skills and were energized by the creative process."*

**RESTAURANT**  
BUSINESS

*"The course helped teams improve communications skills, read body language and establish immediate rapport."*
